

Politics of Eurasia

The Rise of Eurasia: Geopolitical Advantages and Historic Pitfalls

James M. Dorsey, [The Real News Network](#), January 7, 2019

Evaluate the Source

What is the author's thesis?

According to the author, how has the US State Department erred in categorizing the region?

What is the Great Game?

Main players: Turkey and Russia

Erdogan and Putin – friends or foes?

Erdogan's vision?

World is divided into distinct civilizations

Three pillars:

- 1) the only just order is a multipolar one
- 2) no civilization has right to claim hegemony
- 3) non-Western civilizations are rising (resurgent)
